Report of Principal and School Improvement Council

Pickens Middle School, a 2012 SC Education in the Environment School, a 2011 National School to Watch, National Blue Ribbon School of Excellence and a National Service Learning Leader School, works daily with parent/guardians and the community to emphasize high academic achievement, career awareness, citizenship through diverse learning opportunities in a secure and caring environment, and an overall attitude of excellence in all that we do. Our main goal is to maximize the potential of each student on campus through all of our instructional programs and initiatives. This year we moved into a newly renovated 150,000 square-foot facility that has provided over 50,000 square-feet of additional classroom and instructional space for our students to use. The new layout of the school has assisted in providing age-appropriate interaction consistently throughout the school day as each grade-level has its own hallway. We seek to improve student achievement by reading daily in school-wide silent sustained reading, creating career awareness through job shadowing activities, and recognizing student achievement through a variety of PBIS models on campus. The faculty participates in numerous staff development opportunities through national, state, and local professional development. Through a team planning model, instructional strategies are tailored to meet the needs of our students. Additionally, Pickens Middle is now a certified "Green Steps" school because of its involvement in South Carolina's Resource Conservation Challenge. It is our belief that by enlisting the support of the faculty, staff, parent/guardians, and the community, we will achieve our goal of preparing students for life after Pickens Middle as our students prepare to be part of the 21st Century work force.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	73.6
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Pickens Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
